

## Geology 202 Group self-evaluation form

The portion of your grade for group self-evaluation is a chance for me to monitor how effective the group worked together. The maximum of 20 points towards the project grade will be a total of what you and your group thought of your contribution.

Geologic Time Period:

*Scale of 0-5, how would you rank your participation and that of your group members? 5 is best, 0 is worst*

- Your Name and grade:
  
- Group Member 1 name and grade:
  
- Group Member 2 name and grade:
  
- Group Member 3 name and grade:
  
- Who worked on which parts of the project? (i.e. all involved with paper and poster, two on paper, two on poster, one did everything)
  
  
- Any additional comments about how the group dynamic went:
