

## Evolution assignment post-survey

Name:

Write a statement that answers the following questions:

- 1) Did the assignment give you a better understanding of the controversy? How and why?
- 2) Based on your thoughts and ideas now, which of the theories do you agree with the most, Intelligent Design, Creationism, or Evolution?
- 3) On a scale of 1-10, how strong in your advocacy of this position?
- 4) Did your position change any with this exercise? Why or why not?
