

Affordable Green Housing

Public Forum

7pm

Thursday, December 3, 2009

Illinois State, Schroeder Hall, Room 238

Speakers:

Hank Campbell, Project Director, ISU\IWU Collegiate Homes

Rebecca Rossi, LEED Accredited Professional

Andy Scott, president, *Energistics*

- Addressing strategies and solutions to building environmentally sustainable affordable housing.
- The Illinois State and Illinois Wesleyan student chapters of Habitat for Humanity are currently constructing their 15th and 16th Collegiate Homes.
- The ISU\IWU homes will be the first single-family residences in McLean County to meet the Leadership in Energy and Environmental Design (LEED) Green Building Rating System standards developed by the U.S. Green Building Council.
- Currently, each McLean County Habitat for Humanity home receives a 5-Star-Plus Energy Star Rating
